REMARKS

One north-bound train on which the following troops and materiel were observed passed through WITTENBERG (N 53/Y 69):

Troops between 18 and 25 years of age on five boxcars. About 50 percent of them wore red-bordered black epaulets without insignia while the others wore tank insignia or artillery insignia.

Four antitank guns of about 76.2 mm caliber

four antitank guns of 37 to 50 mm caliber (45 mm?)

Eight three-axle trucks of US make

Two trucks of Russian make with box-like superstructures

One field kitchen on a flatcar.

Comment :

[redacted] the train carried an antitank artillery unit of the 94th Gds Mtz Rifle Div. The unit is believed to have been on its way from the Letzling Heath to the military post.

According to rough sketches [redacted], the unit was equipped with 100-mm antitank guns and Comintern prime movers.
